

Thank you for your interest in the AMERICAN COUNCIL OF SPOTTED ASSES, Inc.. We are a nonprofit corporation dedicated to the promotion and preservation of the Spotted Ass (also known as a donkey or burro) and the Half-Ass (which is a mule or hinny). There are currently less than 2500 registered Spotted Asses and HalfAsses so we really are dealing with a "rare breed."

REGISTRATION INFORMATION

Your interest in registering your ass or mule in the American Council of Spotted Asses, Inc. is greatly appreciated. You will join other owners in making our Association a flag bearer for Spotted Asses and Half-Asses everywhere.

To qualify for registration in ACOSA, your donkey, mule or hinny must have at least **two** spots, visible on a photograph, above the legs and behind the throatlatch. Each application *MUST* include two pictures, one of each side, (although we do prefer two pictures of each side), *and* \$10.00 per animal for plus \$10 membership fees non-members or just \$ 10.00 per animal for paid-up members.

Applications are available by writing to the Association and *copies can be made for future use*. Please fill out as much background information as you can on your application(s). Height can be filled in on Asses and HalfAsses 3 years of age or older, as this is the approximate age when they reach their mature height. If the animal is under 3 years of age, write in immature. Mail your application, photos, and registration fee to the Association. You will in turn receive an embossed original certificate of your registered animal.

When you buy or sell a registered Spotted Ass or Half-Ass you may transfer that animal by sending in the original registration certificate, current photos, height (if over 3 years of age) and a fee of \$5.00 per animal. The Association greatly appreciates the transfers, as we like to keep track of our registered animals.

MEMBERSHIP INFO

Effective July 1, 1995 the Association was forced to charge a \$ 10.00 yearly membership fee. This is due to the growth of the Association as well as the rising cost of printing, postage and advertising. The membership fee entitles members to our publication, The Spotlight, (which is put out 3 times a year), and it includes up-to-date breeder listings, classified ads, educational and historical articles and ordering information for Association related products. Registration fees are \$10.00 per animal for members..

The Spotted Ass is now an established donkey breed and the registered Spotted Ass, regardless of size, brings a premium price. By continuing to register our Spotted Asses, we work towards making the Spotted Ass breed a major force in the equine world. If you have any questions, please feel free to contact us anytime. Our phone number is (563) 735-5533.

Thank you for your support.
