

Thank you for your interest in the AMERICAN COUNCIL OF SPOTTED ASSES, Inc.. We are a nonprofit corporation dedicated to the promotion and preservation of the Spotted Ass (also known as a donkey or burro) and the Half-Ass (which is a mule or hinny). There are currently less than 3000 registered Spotted Asses and HalfAsses so we really are dealing with a "rare breed." Your interest in becoming a member of the American Council of Spotted Asses, Inc. is greatly appreciated. You will join other owners in making our Association a flag bearer for Spotted Asses and Half-Asses everywhere.

MEMBERSHIP INFO

Effective 1 April 2015 American Council of Spotted Asses annual membership fees are \$20 for mailing addresses within the U.S. (other fees apply for longer memberships periods, or those that have a mailing address outside of the USA- please see below). This helps offset the Association's cost of printing, postage and advertising. The membership fee entitles members to certain areas and features on our website and a free listing on the Spotted Ass Breeders List. Our website includes things like a social forum to exchange ideas and share advice, classified ads, community photo exchange, educational and historical articles and an online store for ordering American Council of Spotted Ass related products.

REGISTRATION INFORMATION

The Spotted Ass is now an established donkey class and the registered Spotted Ass, regardless of size, brings a premium price. By continuing to register our Spotted Asses, we work towards making the Spotted Ass a major force in the equine world. If you have any questions, please feel free to contact us anytime. Our phone number is (817) 312-9413.

To qualify for registration in ACOSA, your donkey, mule or hinny must have at least two spots, visible on a photograph, above the legs and behind the throatlatch. Each application MUST include two pictures, one of each side, and \$15.00 per animal plus \$20 membership fees non-members or just \$ 15.00 per animal for paid-up members.

Applications are available on our website, www.spottedass.com, and copies can be made for future use. Please fill out as much background information as you can on your application(s). Height can be filled in on Asses and HalfAsses 3 years of age or older, as this is the approximate age when they reach their mature height. If the animal is under 3 years of age, write in immature. Mail your application, photos, and registration fee to the Association. You will in turn receive a certificate of your registered animal.

When you buy or sell a registered Spotted Ass or Half-Ass you may transfer that animal by sending in the original registration certificate, current photos, height (if over 3 years of age) and a fee of \$10.00 per animal. The Association greatly appreciates the transfers, as we like to keep track of our registered animals.
